PASHA HAWAII SERVICE ANNOUNCEMENT

Adding Capacity to Los Angeles Market – Reliance to Enter LHX Service May 18

Dear Valued Customer:

We are pleased to announce that Pasha Hawaii will be moving the containership Reliance into our weekly Los Angeles Express (LHX) service beginning May 18th. The Reliance will take the position of the con/ro Marjorie C in the vessel rotation and has the capacity to carry up to an additional 800+ TEUs on her westbound voyage.

The LHX service, operating with the paired vessel tonnage of sister ships Reliance and Spirit, will allow for greater weekly availability for high-demand equipment like 40HC Reefers and 45ft dry equipment.

Our LHX service sails Los Angeles on Wednesdays and arrives Sundays at 20:00.
