The Spirit of Giving

2022

Every holiday season, The Pasha Group and the Pasha family celebrate our annual tradition of “The Spirit of Giving.” This year, we are proud to highlight three of the many charities we support in recognition of the outstanding services and programs they provide.

Hawaiian Legacy Reforestation Initiative (legacyforest.org) is a non-profit organization dedicated to restoring Hawaii’s native habitat. Employees and Pasha family members celebrated the launch of the State’s first natural-gas powered containership, *MV George III*, by planting 200-plus native Hawaiian trees in our Pasha Hawaii Legacy Forest at Gun Stock Ranch – the first of many more to come! For every personally owned vehicle shipped, Pasha Hawaii will make a donation to HLRI to offset the carbon impact of shipping that vehicle.

Make It Home (makeithomebayarea.org) is a non-profit furniture bank that recycles, repurposes, and curates gently used furniture and household goods to newly-housed kids in or aging out of foster care, formerly homeless families, and individuals who would otherwise move into an empty apartment.

Seafarers’ Charity in support of Ukraine (theseafarerscharity.org) International Relief Fund is assisting seafarers and their families who’ve been directly impacted by the Ukraine crisis by providing human welfare needs – shelter, food, water, transport, access to medical services – along with practical financial help.

The Spirit of Giving is prevalent throughout our communities and we are grateful for the opportunities to assist. We wish you and your loved ones peace and joy this holiday season and in the coming New Year.

Best regards,
