SSA Pier A is eModal enabled: [click here for more info](#)

- **SSA Pier A** offers truckers multiple route options via the I-110, the I-710, I-405 and the Alameda Corridor.
- With nearly 180 acres of dedicated space to speed up access to Inbound loads, empties and Outbound parking spaces.
- POLBC Environmental program aligns well with Pasha Hawaii's future LNG fueling program for the *George III* and *Janet Marie*, and subsequent LNG-fueled ships.

Transition Calendar

The transition week begins April 20th, with our regular LHX Wednesday departure from WBCT/ Los Angeles on April 22nd and our CHX Saturday departure as our first Westbound sailing from SSA Pier A/Long Beach on April 25th. This calendar provides guidance on the Vessel departures, inbound arriving cargo and instructions on the pick-up and delivery of empty and full container loads.
